Approach to Developing KCPian Servant Leaders & Scholars

- KCPians
- approach challenges with the confidence that with collaborative effort and experimentation, they will find solutions.
- Sharpen one another's thinking through clarifying questions and regular conversations

Approach to Developing KCPian Servant Leaders & Scholars

KCPians

- work well with others,
- appreciate social diversity

- pay attention to the little details of their daily responsibilities

The KCPSS Promise

- Holistic Education with a strong emphasis on character development, personal leadership and self-discipline for service & citizenship
- A nurturing environment grounded in Christian values in which every student will grow to realize his/ her full potential

The KCPian' s Commitment

- To take *responsibility* for things within his/her locus of control and show *effort* and *commitment* to work
- To contribute towards the school community and beyond through continuous learning and service

**Train up a child in the way he
should go and when he is old,
he will not depart from it'
Proverbs 22:6**

Our prayer for KCPians

That they would “*be blessed with a ‘divine discontent’* – always not quite satisfied with what (they) have, always driven to do better. At the same time, (to) have the wisdom to count (their) blessings”... PM Lee Hsien Loong

If I had my child to raise all over again!
