30 December 2024

Dear Parents / Guardians,

### **Taking Flight: Soaring with Renewed Strength**

*But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.*  
**Isaiah 40:31**

It is with joy and hope that we begin 2025. Over the course of 2024, the Kuo Chuan Presbyterian Schools were able to celebrate our 100th anniversary with a deep sense of thanksgiving and renewal. With confidence in God's provision and faithfulness, we now look to the future.

KCPSS is a School on a Hill, shining our light for our students, families, community and Singapore. With your support and presence, we have been able to strengthen our focus on student well-being, educational technology and deepening our faith and focus on our school values of GRACE.

In 2025, we would like to invite you to lean in further, and work with our teachers and stakeholders to ensure that your child has the best opportunity to thrive and flourish. Our emphasis for students will be to strengthen their academic foundation, even as they make the most of the flexibility provided for by FSBB. Over the years, they will develop a strong sense of place and identity, as our newly-launched House system and #TeamKCP spirit provides platforms for positive relationships, support and growth.

Beyond these foundations, every KCPian will also blossom through our quality experiences in student leadership, applied learning, sustainability programmes, and our internationalisation trips to Korea, China and Indonesia. We do this with a focus on student well-being, ensuring that every student is surrounded by the right protective factors and opportunities to develop a strong identity, positive relationships, and to make responsible choices. We give thanks that we are able to do this amidst a vibrant and enhanced school environment, and will endeavour to honour and glorify God in our learning, leadership and lives.

It is with this sense of purpose and possibility that we have embraced our 2025 theme of **Taking Flight: Soaring with Renewed Strength**. It serves as an inspiration and call to our KCPians to prepare well for their journey through learning and life, and to look to this future with hope and joy. By God's grace, we will be able to nurture our students to learn with confidence, excel with grace, lead with passion and service with purpose in our communities.

I would also like to introduce Mr Eka Tanu (right) as one of our Vice-Principals. He brings with him experiences across a range of schools and contexts. We also have many new staff in the school, which I look forward to introducing in the weeks and months ahead on various platforms.

Once again, Blessed New Year, and welcome to #TeamKCP! May we soar with renewed strength through the years ahead!

Mr Justin Tan

Principal
